place in the

“Global Best Practices Awards 2022”

Industrial Textile Services

In recognition of an outstanding approach to Professional Textile Care that has set a standard of excellence in advanced professional services.

Lavans B.V.

has been selected by an independent International Global Awards Jury in the best practices performance in Industrial Textile Services, following an official selection procedure and a pitch presentation at the CINET Global Info Square Meeting at Milan, Italy, October 21st 2022.

This initiative has been taken by the CINET Board to profile modern Professional Textile Care and showcase best practices in countries worldwide. National associations and international suppliers nominated over 100 companies from 30 countries for this prestigious award.
